Honorable Kelly Pinion has served the citizens of Lubbock County for a total of 30 years as a deputy clerk and as county clerk. Of those years, she has been the elected clerk for 18 years. She has been married for 43 years and has four dogs, five cats and chickens.

Kelly's community service extends beyond the projects in her office. As an active member of the Lions Club, Kelly has served as the Pancake Festival Committee chairman. She has also volunteered to serve as a member of the Projects Committee, Programs Committee, Membership Committee and Spirit Committee. "I feel there are many clerks deserving of this award and I am honored to be nominated," says Kelly. "I received so much help from other clerks when I became clerk, I feel it is part of our job to pass along what we learn and share our experiences with others. We have to work smarter, not harder."
