If you know Hon. Vicki Scott, you'll know that she is a reserved and humble person who does not like being in the spotlight and would not be able to brag about herself, therefore, her deputies took charge in submitting this nominee application.

Though the county clerk position entails more than anyone outside of the office realizes, our office maintains the highest standards in public and inter-county relations. Vicki has more than 17 years of experience and knowledge that she continues to share with those in her office to establish a well, cross-trained staff. She also works closely with other clerks, specifically Hon. Liz Chapman, Hon. Brent Zitterkopf, and Hon. Pam Greene, who are all part of the "Magic Wand Committee". Vicki has been appointed president of this group, which exists to ensure legislation changes are properly implemented. Her most recent involvement with the CDCAT included her and the Andrews County District Clerk hosting the most attended Region 3 spring meeting in many years.

Outside of the office, Vicki believes there are multiple ways to serve and strengthen relationships within the community beyond the county clerk position alone. Being a working county clerk in a small office does not always leave room for many additional activities. She has many early mornings and late nights beyond a normal Monday through Friday, 8-5 job. However, giving back to her community is important to her. Her volunteer activities outside of the office tend to keep her just as busy. She contributes, with great dedication, in all areas where she feels the lead to serve, that includes the many committees within the county, the Chamber of Commerce, and First Baptist Church. She is heavily involved in the planning and execution of the annual Chamber of Commerce banquet, the Wild, Wild, West Fest, the Fourth of July event, the Christmas Holly Jolly Weekend, Meals-on-Wheels, and many "Serve the City" projects throughout the year.

She is highly honored to be nominated to represent Region 3 for the County Clerk of the Year, and she looks forward to continuing to make a difference within our community, our region, and the state of Texas.
