I am honored to be nominated by my peers from Region V for County Clerk of the Year.

I have been married to my husband, Gist, for 37 years. We have a son, Daniel, and a daughter, Hope. Daniel is an executive chef in Austin, and he is married to Sheryl. They have one daughter, Jayde, who is three years old. Hope is married to Dylan, and they own their own dozer and construction business. They have one son, Westen, who is five years old.

I have worked in the Eastland County Clerk's office since 1985 and on January 1, 1999, I began my journey as the elected county clerk. I am currently serving my 25th year in this capacity. A few items that I had accomplished in these years is the ability to update the office with software upgrades, internet needs, accessibility to records online and preservation and security of records.

I have served on CDCAT various committees and have enjoyed building the relationships and I feel like I have contributed to the committees. I am active in my communities and serve where I can best benefit the citizens of the county.
