I am honored to be considered for Clerk of the Year. I actively advocate for clerks across Texas by testifying at the Capitol in Austin, sharing our collective voice on key legislative issues. I travel to other counties to mentor and assist new clerks, helping them navigate challenges and build efficient offices. I've modernized our operations with updated software and website improvements, ensuring better service for our community. I also speak at multiple conferences annually, sharing best practices and innovations. Additionally, I engage with local schools to provide essential election information, helping educate the next generation of voters. I have also been honored with two Senate Resolutions for providing Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED) response to a medical emergency at a Senate State of Affairs hearing.
