My community is very important to me since i was born and raised in the "biggest little town in the world." Working for Crockett County since 1991 has brought me a vast amount of knowledge, which I love to share with my "clerk family" when they call me because i value each and everyone of you. I have been driven to work diligently, professionally and efficiently, hoping and praying I make a difference. As an elected official, I strive to display authenticity, empathy, leadership and stewardship to build a better and stronger community and office as there is always a continuous change in local and state government. I would like to thank Region IV for the nomination for which i am so honored and deeply appreciate you all. May God continue to bless each and every one of you and may He continue to give us the strength to continue to make our community and offices outstanding and admirable.
