I am one of the founding members of Proverbs 12:10 Animal Advocacy.
We are a non-profit advocating for animals in need through
foster/adoption or sanctuary.

Having served 24 years in the United States Navy, I understand what it means to serve with honor, courage and commitment. I strive to live by these core values and incorporate them in my daily life and especially in my role as the Parker County Clerk. I truly love what I do, and I truly believe my calling is to serve, whether it be my Country, County, Community or the CDCAT. It is indeed an honor to have been selected as Region V Clerk of the Year and, even a greater honor to be included in such an amazing group of clerks.
