23 years  
13 years

My name is Wanda Greer and I am the District Clerk at Erath County in Stephenville, Texas. I have been in office since 2003 and I take great pride in providing our citizens with the highest quality of service possible. Prior to running for District Clerk, I was a police officer for the City of Stephenville for 20 years. Working with the public as a Community Resource Officer for the last few years in law enforcement gave me a lot of rewarding benefits that I carry with me through today.

Upon taking office I knew it was going to be a challenge as my predecessor was of the older generation and loved the term "That's how it's always been done." In my tenure as District Clerk I have led Erath County into the 21st century by being the project manager of the newest version of Odyssey software for the entire county. It took us 16 months but I am proud to say we got it accomplished and Erath County government is more efficient now than ever. Another accomplishment I am proud of is transitioning to a paperless environment in our office and court. This initiative has resulted in manpower reduction, space savings and natural resources conservation.

Our office is dedicated to ensuring the preservation of Erath County's history through the protection and conservation of its records. The dedicated and hardworking staff of my office are committed to providing excellent customer service. We offer passport services and see traffic from many surrounding counties due to customers' word of mouth about our outstanding customer service. Our office moto is "Together we are better."

I have been a member of the CDCAT since taking office in 2003 as well as Texas District Court Alliance. I greatly appreciate these organizations and all that they stand for. Being from a small office I have not been able to participate and serve like some have but I try to stay involved as much as I can.

I am married to my amazing husband Kelly Greer. He is retired after 39 years at a local industry called FMC. Together we have 4 children and 5 grandchildren. We are members at the Erath County Cowboy Church and together we love to go camping, traveling and attending our grandchildren's activities. As we all have had many ups and downs in our lives one comes to realize you are not guaranteed tomorrow so live life to the fullest every day.

Thank you Region V for nominating me to represent you as the District Clerk of the Year.
