Current member

On April 14, 20205, I had the privilege of testifying before the House of Representatives Sub Committee on Family and Fiduciary Relationships regarding a bill that would have allowed judges to scan and return marriage licenses to the clerks by email, instead of returning the original to the clerk.

In October of 2018, I was awarded the Thomson Reuter Award for Public Service in Crisis Management. I traveled to Riverside, California, where I was invited to address my peers from across the nation and abroad about the brand module that our office played a part in developing, that allowed online searches for registered brands file with our office. This module allows us to use a part of the brand description, to identify the owner, by way of an online database search.

Clerk of the Year Award Nominee

Region VIII Nominee

Hon. Heidi Easley

County: Victoria

Position: County Clerk

Years in Office: 10 years

I am incredibly honored by the nomination for County Clerk of the Year from Region 8 of the CDCAT. I took office in 2015, having started my career with Victoria County in 1994 in the same office that I am blessed to lead today. My husband Kenneth (an elected constable of over 20 years) and I have two grown children, Nicole and Clayton, and at present, one adopted German Shephard (Sissy) and a spoiled mutt granddog (Koda). I am a proud Sam Houston State University Bearkat, having earned a bachelor's degree in Agricultural Business in 1991.

I am humbled to be included alongside my fellow clerks for this distinguished honor. Thank you to my CDCAT family for always being authentic and always being here for each other!
