

North and East Texas County Judges and Commissioners Association

North and East Texas County Judges and Commissioners,

As the economy has become a daily topic in most of our lives, we know that costs, especially in education, change daily also. With that in mind, the North and East Texas County Judges and Commissioners Association is now accepting applications for the awarding of scholarships for children or grandchildren of current county judges and commissioners.

College scholarships in the amount of \$1,500, \$1,250 and \$1,000 will be awarded to three applicants during the annual conference in Montgomery on July 20.

To be eligible for scholarship consideration, each applicant must be a child, grandchild, or student under the legal guardianship of a current judge or commissioner. Each of the applicants must be a current resident of a county within the 74-member county region. Each must be a graduating high school senior for the class of 2026 or pursuing an undergraduate degree at a four-year university.

Applications will be judged on the following criteria:

- Personal résumé
- Letters of reference (3)
- Official transcript
- Completed application form

The scholarship's funds are not derived from tax dollars collected from member dues. Instead, funding comes from previous conference proceeds, not at taxpayer expense.

All entries are to be submitted to North and East Texas CJCA Immediate Past President Larry Woolley for Scholarship Committee consideration. All entries are to be received or postmarked by 5 p.m. on July 1, 2026. Entries are to be sent to:
