I was very proud to share our Lampasas County with Region V clerks as we are the farthest county in the Central Texas area. We are a rural community and not a lot of business interaction until I brought the Region V group to town! We visited the Lampasas County Museum where the Region V clerks purchased all of the gift shop items! Our motels were full and we were blessed to show off our Lampasas County. Home of Spring Ho!

I was raised in Lampasas County where I attended all 12 years of school here and I am a true Badger fan! I love the people here and work with every organization that I can to represent the Lampasas County now and forever.

OPTIONAL-PROVIDE A BRIEF DESCRIPTION OF YOUR PERSONAL AND PROFESSIONAL QUALIFICATIONS FOR THIS AWARD.

I knew when I was in 4th grade, I dreamed I would be where I am today. I set my goals as a young child for my two careers and currently I am living the dream and working the dream job to make my life goals complete.

Second, I wanted to work for the people who owned our beautiful courthouse and that was "US." I asked my parents why they didn't tell me that we owned property on the square, the courthouse! Now as a retired teacher and middle school coach, of 34 years, I ran for the office of District Clerk and I won to fulfill the dream to work for the people who own that courthouse, the citizens of Lampasas County.

I am currently in my 2nd term of the office. I love my job representing people. You can say, I am living the dream, or my dream. I am also a wife, mother, sister, and a Nanny to my 5 grandchildren. I have written a book, "Out on the Black top" of funny stories during my career as a teacher.

I love Bees and learn from the Bees. After losing my mom to brain cancer, I invented a crème made by bees and I called Bee Spitz. This cream has become a new miracle crème to help ease any skin irritation from radiation burns to cuts and scrapes. We have entered our Bee Spitz in the Quest for the Best for HEB to add our Bee Spitz to land on the shelves in 450 HEB locations.

I love following the Lampasas High School Badger football and basketball games and filming the games live with my cell phone for the Badger fans who are unable to travel to the games. The video is played in the nursing homes, restaurants, and for my oldest brother, Bill Wagner who is now disabled which makes it hard to travel to any Badger games.

I am so proud to be a part of CDCAT, this is my last term in office, but I will always be available for any clerk that I would be able to help. I will walk away from this job on 12/31/2026 with so much more knowledge of what is needed in our state of Texas and to know the clerks are the hardest working people in the court system.

To Region V, I hope I represented you well, as I love you all dearly!

God Bless!

Edith Wagner Harrison
