

## CINCO DE MAYO FIREWORKS PERIOD

(MAY 1-MIDNIGHT, MAY 5)

**DEADLINE TO ADOPT ORDER: APRIL 24, 2024**

Occupations Code, §2154.202(g)(3), permits the commissioners court of a county that is not more than 100 miles from the Texas-Mexico border to adopt an order authorizing the sale of fireworks for Cinco de Mayo (May 5).

**If the court decides to permit the sale of fireworks during the Cinco de Mayo period, the order must be adopted before April 25. If the court does not wish to permit the sale of fireworks during this period, no action is required.**

Please note the distinction between Occupations Code, §2154.202(g)(3), which **allows** the commissioners court at its **discretion** to **permit** fireworks sales for the Cinco de Mayo period and other law [Local Government Code §352.051 and Occupations Code, §§2154.202(g)(1) & (2)] which **require** the court to take action to **restrict or prohibit** sales during certain times of the year if drought conditions are present.

To assist the court in determining whether conditions are suitable for authorizing the sale of fireworks, the Texas A&M Forest Service is required to make its services available each day during the Cinco de Mayo period to respond to the request of a county as to whether or not drought conditions exist. To obtain a determination from the Texas A&M Forest Service, call (979) 458-7331.

If the court decides to adopt such an order for Cinco de Mayo, it may **restrict or prohibit** the sale of "restricted fireworks," which are defined as "skyrockets with sticks" and as "missiles with fins." A violation of the order is a Class C misdemeanor. Also, a citizen may file suit for an injunction to prevent a violation or threatened violation of the order.

Under Local Government Code §352.051(f), the county may also designate one or more "safe" areas where the use of restricted fireworks is not prohibited. In determining if an area may be considered "safe" the court should take into account whether adequate public safety and fire protection services are provided to the area.

A sample order authorizing the sale of fireworks during this period is provided on the following page. If your court decides to designate "safe" areas, the sample order will need to be modified to include appropriate language. A map identifying the counties within 100 miles of the Texas-Mexico border, a copy of Local Government Code §352.051, the sections of the Occupations Code that define and explain permitted and prohibited fireworks, and the Federal Regulations referenced in the state law are available online at [county.org/fireworks](http://county.org/fireworks).
