

2026 Fireworks Calendar

The state of Texas authorizes the sale of fireworks during nine periods annually. During the Fourth of July and December holiday firework periods, fireworks sales are permitted absent a finding by the commissioners court that drought conditions exist. For Lunar New Year, Texas Independence Day, San Jacinto Day, Cinco de Mayo (only counties not more than 150 miles from Texas-Mexico border), Memorial Day, Juneteenth and Diwali fireworks periods, the commissioners court has discretion as to whether or not sales will be allowed.

The commissioners court must adopt the **order to regulate fireworks** in the areas of the county where drought conditions exist **before June 15** for Fourth of July, and **before Dec. 15** for the December fireworks season.

The commissioners court must adopt the discretionary **fireworks authorization order before Feb. 15** for Texas Independence Day, **before April 1** for San Jacinto Day, **before April 25** for Cinco de Mayo, **before May 15** for Memorial Day, **before June 1** for Juneteenth and **before Oct. 24** for Diwali.

The 🌟 symbol indicates the last day the commissioners court may adopt the fireworks authorization order, or the order regulating the sale and use of certain fireworks.

The 🌙 symbol indicates the suggested deadline for the commissioners court to adopt the fireworks authorization order for Lunar New Year.*

***HB 5084**, 89th Leg., R.S. (2025) created a new Lunar New Year fireworks period. HB 5084 did not amend Local Gov't Code §351.051 to provide a specific deadline for a commissioners court to issue an order to authorize the use of fireworks during the period. We have included this suggested deadline based upon the approximate deadline timing for the other fireworks periods.
