The state of Texas authorizes the sale of fireworks during seven periods annually. During the Fourth of July and December holiday firework periods, fireworks sales are permitted absent a finding by the commissioners court that drought conditions exist. For the Texas Independence Day, San Jacinto Day, Cinco de Mayo (only counties not more than 100 miles from Texas-Mexico border), Memorial Day and Diwali fireworks periods, the commissioners court has discretion as to whether or not sales will be allowed.

The commissioners court must adopt the **order to regulate fireworks** in the areas of the county where drought conditions exist **before June 15** for Fourth of July, and **before Dec. 15** for the December fireworks season.

The commissioners court must adopt the discretionary **fireworks authorization order before Feb. 15** for Texas Independence Day, **before April 1** for San Jacinto Day, **before April 25** for Cinco de Mayo, **before May 15** for Memorial Day, and **before Oct. 3** for Diwali.

The  symbol indicates the last day the commissioners court may adopt the fireworks authorization order, or the order regulating the sale and use of certain fireworks.
