What is Wondr?

No points, plans, or counting calories.
Forget eating kale salads 24/7; Wondr is a skills-based digital weight loss program that teaches you how to enjoy the foods you love to improve your overall health. Our behavioral science-based program was created by a team of doctors and clinicians (which is why we left out the "e" in Won**dr**) and is clinically-proven for lasting results.

Healthy County is offering this benefit to employees and adult dependents enrolled in the county medical plan at no cost to employees.
